TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

The Victoria Park is an extensive tract of ground which was thrown open to the public in 1830, the opening ceremony being performed by the Duchess of Kent and the Princess Victoria. Charmingly planned, with winding walks grassy plots, miniature lakes, and—in the Botanical Gardens—planted with every variety of tree grown in Great Britain, it is deservedly among the most popular promenades and resorts in the city.
